

iPracticeMusic App 2.0

PDF.js sheet-music viewer demonstration

Demonstration Page 1

This sample PDF confirms that the Version 2.0 player can:

- render PDF pages inside the app without a browser PDF iframe
- move between pages
- zoom and fit the page width
- rotate and enlarge the music viewer

Replace this file with your own sheet music and use a relative path.

Example: `media/pdf/amazing-grace.pdf`

iPracticeMusic App 2.0

PDF.js sheet-music viewer demonstration

Demonstration Page 2

This sample PDF confirms that the Version 2.0 player can:

- render PDF pages inside the app without a browser PDF iframe
- move between pages
- zoom and fit the page width
- rotate and enlarge the music viewer

Replace this file with your own sheet music and use a relative path.
